

Why do I keep writing these letters-messages? Is it to cover my own tracks, self justify myself? I certainly am not trying to convert anyone, or preach to anyone. Those could have sexual intercourse at this very moment on earth 10:10 am pst- May 22nd, 2013, are no better or no worse than Glenn in the eyes of God. Glenn believes as times moves foreward, he has sown the seeds in his life of less bitterness.

There is a harvest mentioned in the new testament, the harvest of God, and it is a Good harvest, and some on earth are able to see through patience and goodness , and obeying God, that this harvest is for the most part good.

Glenn is a hypocrite in the sense he knows very well if had a girlfriend or female concubine, how easy it would be to agree that fornication is wrong, yet still indulge in it.

That odd addage similar to nuclear waste disposal, not in my backyard, type of thing. For those out there who might entertain the notion that Glenn rants, or is ranting, just remember that Glenn is a person of very few words, if ranting is defined in quantity of words. The commercial television is blaring 24 hours a day on the globe, and if there was ever ranting, it's the television.

Glenn has learned that television is the great accuser, the great blasphemer. You might be sitting on your couch or sofa with a friend or spouse, and the television show you are watching might accuse you of adultery. You then tell your spouse that you did not commit adultery, and you spouse asks you what the heck you are talking about.

You might be an FBI agent or secret service agent watching John walsh on tv, and the tv accuses that FBI agent or secret service agent of a heinous crime. The next day at work, those agents report to their superiors that they never personally committed a heinous crime, and their superiors ask them in return what the heck they are talking about.

Television is not healthy, it doesn't matter what tv show it is. The CIA could have a better method of torturing their enemy simply by making the enemy watch commercial tv for 8 hours. Since sitting in front of television is torture, listening to all the accusations and blasphemy, the CIA now has a new method instead of waterboarding. TV viewing is unhealthy.

On a similar serious note, Thomas Edison and electricity , and the light bulb. This constant erection of the genitals in the world today, the RIO Brazil 2016 Olympics-Continuous Mardi Gras Carnival that seems to take place every night in every city and town (even in that Oklahoma town before a few days ago).

It's electricity that is responsible for the lasciousness in the world today. The penis of the flesh lusters is constantly stiff because of Thomas Edison and electricity.

Many might begin to see, the correlation between no electricity and how sexual intercourse would quickly decrease by removing the artificial electricity.

It's complicated, yet simple. The bible says the children of wicked one are here on earth, and part of the hard war in heaven is to see the constant erection of the penis. And the electricity of Edison and the artificial light bulb is mainly responsible.

Either God exists or God doesn't exist. Glenn believes. Glenn has no mate or girlfriend in Australia or England, Glenn has no girlfriend or mate in the eastern or western United States.

Glenn has to live a life of purity. The harvest is coming up as mentioned in the bible, and it's a good harvest. Glenn has to be prepared in heaven that he won't have a help mate there either, but Glenn knows and trusts that Christ knows and wants what's better for Glenn than Glenn knows himself.

Glenn can't have a mate or girlfriend or wife in this present for the above mentioned reasons, but also, because it's a distraction. If Glenn is to keep his eyes on God, and obey the two storm enduring commandments of Christ- Love thy neighbor as thyself, and love thy God with all heart soul and mind.....it would be very difficult to serve God and Christ in that manner if he had a girlfriend, wife, or spouse.

The new testament says blessed are those called to the marriage supper of the lamb. Glenn always thought Christ's bride was the city of New Jerusalem coming down from Heaven, and the bride and fine linen was the righteousness of the saints. Glen is starting to believe now that Christ might be getting a literal female wife, and Christ will have a baby. Revelation Chapter 12 about the woman and the dragon. Christ's parables talk about a King making a marriage for his son, and many were called, but few chosen.

So if Christ is to have a literal wife and child, it puts Glenn's former desire of a mate in a new perspective. Christ, son of God does his will, then Glenn accepts what Christ wants Glenn to do or not to do. It sort of sobers me up, and puts the right perspective on this Glenn fantasy mate in this lifetime thing. Glenn is not getting married, nor does he have a girlfriend or seeking. Being called to the marriage supper of the lamb is Christ's wedding, and Glenn is a guest. And it requires being clean, and having those clean wedding garments.

When the bible talks about clothed with fine white linen, it is not talking about skin color. It is talking about a clean mind, keeping the body clean. Glenn knows there are people on the earth and in america that are more righteous than Glenn.

Glenn is a hypocrite also about that Christ marriage thing in the sense that Glenn's human nature might say "How dare Jesus Christ have a wife and how dare Christ might have a son...." And then

Glenn might start demands of God about wanting an ideal helpmate and this and that, and then Glenn starts to finally see, that his entire life he has tried to make demands from God about wanting this and that, on Glenn's terms and not God's.

And then Glenn reads the last chapter of the Bible about having 'right' to the tree of life, versus Glenn stealing from the tree of Life.

And then realizes if an ideal mate or eternal happiness in another form is related to the tree of life in the bible, and God Guards the tree of life, and there are rules, then Glenn might realize that he has been given a glimpse or taste of what could be..... if Glenn desires to eat from the fruit of the tree of life.

Glenn has no 'right' to a girlfriend, mate, or wife, and Glenn has no 'right' to eternal happiness in Heaven in other forms. Paul may be happy being single in Heaven for eternity. And he and she are happy being single celebrate in Heaven.

Glenn would rather enter into a marriage demonstrating to God and himself that Glenn is not an adulterer, in mind, body, and thought, and is capable of a pure mind, and that he won't covet another neighbor's wife. That may take a lifetime for Glenn to prove that to God, but in the harvest of God, it will be worth it, and might make me worthy to attend the wedding of Christ. It's a good harvest, and I talked about a gist of what I believe.

Glenn is not trying to convert or preach to anyone. If you Go to RIO Brazil 2016 olympic party, that shouldn't affect Glenn's purity, as Glenn's mind, body, and thought will be geared toward the reward in heaven and pleasing Christ.

You see the problem with God allowing the Rio Brazil 2016 crowd and its affiliates in Heaven. Heaven will have the same types of problem.

If God is love, why did he allow Noah's flood and the fire of Sodom and Gomorrah? That is not too hard to understand. The troubled mind Glenn might have today of course is the internal thing, God should I order a pepsi instead of a coke? Is your will for me for lunch a pepsi rather than a coke. God gives us freewill in those kind of small details. The sex laws of course there can be no compromise.

The best example of course, if you are happily married or happily have a boyfriend or girlfriend, imagine after the summer 2016 olympics in Rio Brazil. The Rio Brazil crowd might come knocking on your door and my door in Heartland America after summer 2016, wanting to fornicate with your wife, daughter, sister, mother, father, husband, son, or cousins.

God and Christ have these good laws about sex relations and fornication. Otherwise, the Rio Brazil 2016 olympic crowd are going to show up in the fall of 2016 wanting to fornicate with your loved ones and mine.

The laws and commandments of God and Christ are good ones, and there is the difference between being bitter at the harvest of God versus rejoicing at the harvest.

Be honest. Do you or I really want the Rio Brazil 2016 olympic crowd after their carnival showing up at your door and my door wanting to fornicate and sin with what is supposed to be ours??? Glenn is trusting in God and Christ. Glenn would be wise to obey Christ.
